

# OUR OFFERINGS

ManagedWay is the premier service provider for Colocation Facilities, Dedicated Internet, and Cloud Hosting. As a recognized industry leader in telecommunications with locations across America, Canada, and Europe, we are sure to cater to your business's needs.

## COLOCATION FACILITIES

- :: SINGLE SERVER
- :: SERVER CABINET
- :: PRIVATE CAGE
- :: PRIVATE SUITE

State of the art Colocation Facilities means your business has availability of critical systems, security from experienced professionals, and peace of mind. Protect your servers, applications, and data with multiple levels of physical and environmental security.

## DEDICATED INTERNET

- :: FIBER OPTIC INTERNET
- :: WAVELENGTH SERVICE
- :: POINT TO MULTIPOINT
- :: POINT TO POINT
- :: FIXED WIRELESS

The everchanging demands of technology places higher demand on your network that stretches bandwidth requirements to their limits. Competitive business markets require faster data speeds and access to the Internet for multiple locations with diverse application requirements.

## CLOUD HOSTING

- :: VIRTUAL SERVER
- :: VIRTUAL DATA CENTER
- :: BARE METAL HARDWARE
- :: PUBLIC & PRIVATE CLOUD
- :: DISASTER RECOVERY AS A SERVICE

The ManagedWay Cloud offers scalable cloud resources at a low cost. Our Cloud Hosting packages allow your business to leverage our state of the art facility and network infrastructure, without the worry of equipment management or large capital investment.
